**Scorn**-Matthew Parris 2016-11-10 'He's 100% political herpes. Back in six months whatever you do. Or three days, like last time.' Camilla Long on Nigel Farage 'You're as ugly as a salad.' Bulgarian insult 'I'm going to beat him so bad he'll need a shoehorn to put his hat on.' Muhammed Ali There's no pleasure like a perfectly turned put-down (when it's directed at somebody else, of course) but Matthew Parris's Scorn is sharply different from the standard collections. Here are the funniest, sharpest, rudest and
most devastating insults in history, from ancient Roman graffiti to the battlefields of Twitter. This collection includes extended literary invective as well as short verbal shin-kicks. Encompassing literature, art, politics, showbiz, marriage, gender, nationality and religion, Matthew Parris's sublime collection is the perfect companion for the festive season, whether you're searching for the perfect elegant riposte, the rudest polite letter ever written, or a brutal verbal sledgehammer.

Just the Funny Parts-Nell Scovell 2018-03-20 FOREWORD BY SHERYL SANDBERG You've almost certainly laughed at Scovell's jokes—you just didn't know it until now. Just the Funny Parts is a juicy and scathingly funny insider look at how pop culture gets made. For more than thirty years, writer, producer and director Nell Scovell worked behind the scenes of iconic TV shows, including The Simpsons, Late Night with David Letterman, Murphy Brown, NCIS, The Muppets, and Sabrina, the Teenage Witch, which she created and executive produced. In 2009, Scovell gave up her behind-the-scenes status when the David Letterman sex scandal broke. Only the second woman ever to write for his show, Scovell used the moment to publicly call out the lack of gender diversity in late-night TV writers' rooms. “One of the boys” came out hard for “all of the girls.” Her criticisms fueled a cultural debate. Two years later, Scovell was collaborating with Sheryl Sandberg on speeches and later on Lean In, which resulted in a worldwide movement. Now Scovell is opening up with this fun, honest, and often shocking account. Scovell knows what it’s like to put words in the mouths of President Barack Obama, Mark Harmon, Candice Bergen, Bob Newhart, Conan O’Brien, Alyssa Milano, and Kermit the Frog, among many others. Through her eyes, you’ll sit in the Simpson writers’ room... stand on the Oscar red carpet... pin a tail on Miss Piggy... bond with Star Trek’s Leonard Nimoy... and experience a Stephen King-like encounter with Stephen King. Just the Funny Parts is a fast-paced account of a nerdy girl from New England who fought her way to the top of the highly-competitive, male-dominated entertainment field. The book delivers invaluable insights into the creative process and tricks for navigating a difficult workplace. It's part memoir, part how-to, and part survival story. Or, as Scovell puts it, “It’s like Unbroken, but funnier and with slightly less torture.”

**Landwhale**-Jes Baker 2018-05-08 By the author of Things No One Will Tell Fat Girls and a heroine of the body image movement, an intimate, gutsy memoir about being a fat woman Jes Baker burst onto the body positivity scene when she created her own ads mocking Abercrombie & Fitch for discriminating against all body types--a move that landed her on the Today Show and garnered a loyal following for her raw, honest, and attitude-filled blog missives. With material that will have readers laughing and crying along with Jes's experience, this new book is a natural fit with her irreverent, open-book style. Leaving Isn’t the Hardest Thing—Lauren Hough 2021-04-13 A NEW YORK TIMES BESTSELLER "A memoir in essays about so many things—growing up in an abusive cult, coming of age as a lesbian in the military, forced out by homophobia, living on the margins as a working class woman and what it’s like to grow into the person you are meant to be. Hough’s writing will break your heart." —Roxane Gay Searing and extremely personal essays, shot through with the darkest elements America can manifest, while discovering light and humor in unexpected corners. As an adult, Lauren Hough has had many identities: an airman in the U.S. Air Force, a cable guy, a bouncer at a gay club. As a child, however, she had none. Growing up as a member of the infamous cult The Children of God, Hough had her own self robbed from her. The cult took her all over the globe—to Germany, Japan, Texas, Chile—but it wasn’t until she finally left for good that Lauren understood she could have a life beyond "The Family." Along the way, she's
loaded up her car and started over, trading one life for the next. She’s taken pilgrimages to the sights of her youth, been kept in solitary confinement, dated a lot of women, dabbled in drugs, and eventually found herself as what she always wanted to be: a writer. Here, as she sweeps through the underbelly of America—relying on friends, family, and strangers alike—she begins to excavate a new identity even as her past continues to trail her and color her world, relationships, and perceptions of self. At once razor-sharp, profoundly brave, and often very, very funny, the essays in Leaving Isn’t the Hardest Thing interrogate our notions of ecstasy, queerness, and what it means to live freely. Each piece is a reckoning: of survival, identity, and how to reclaim one’s past when carving out a future. A VINTAGE ORIGINAL

Wordslut-Amanda Montell 2019-05-28 A brash, enlightening, and wildly
entertaining feminist look at gendered language and the way it shapes us, written with humor and playfulness that challenges words and phrases and how we use them. “I get so jazzed about the future of feminism knowing that Amanda Montell’s brilliance is rising up and about to explode worldwide.”—Jill Soloway

The word bitch conjures many images for many people, but it is most often meant to describe an unpleasant woman. Even before its usage to mean a female canine, bitch didn’t refer to gender at all—it originated as a gender-neutral word meaning genitalia. A perfectly innocuous word devolving into a female insult is the case for tons more terms, including hussy—which simply meant housewife—or slut, which meant an untidy person and was also used to describe men. These words are just a few among history’s many English slurs hurled at women. Amanda Montell, reporter and feminist linguist, deconstructs language—from insults and cursing, gossip, and catcalling to grammar and pronunciation patterns—to reveal the ways it has been used for centuries to keep women and other marginalized genders from power. Ever wonder why so many people are annoyed when women talk with vocal fry or use the word like as a filler? Or why certain gender-neutral terms stick and others don’t? Or where stereotypes of how women and men speak come from in the first place? Montell effortlessly moves between history, science, and popular culture to explore these questions and more—and how we can use the answers to effect real social change. Montell’s irresistible humor shines through, making linguistics not only approachable but both downright hilarious and profound, demonstrated in chapters such as: Slutty Skanks and Nasty Dykes: A Comprehensive List of Gendered Insults How to Embarrass the Shit Out of People Who Try to Correct Your Grammar Fuck it: An Ode to Cursing While Female Cyclops, Panty Puppet, Bald Headed Bastard and 100+ Other Things to Call Your Genitalia

Dude, You’re a Fag—C. J. Pascoe 2011-11-01 High school and the difficult terrain of sexuality and gender identity are brilliantly explored in this smart, incisive ethnography. Based on eighteen months of fieldwork in a racially diverse working-class high school, Dude, You're a Fag sheds new light on masculinity both as a field of meaning and as a set of social practices. C. J. Pascoe's unorthodox approach analyzes masculinity as not only a gendered process but also a sexual one. She demonstrates how the "specter of the fag" becomes a disciplinary mechanism for regulating heterosexual as well as homosexual boys and how the "fag discourse" is as much tied to gender as it is to sexuality.

Impro—Keith Johnstone 2012-11-12 Keith Johnstone's involvement with the theatre began when George Devine and Tony Richardson, artistic directors of the Royal Court Theatre, commissioned a play from him. This was in 1956. A few years later he was himself Associate Artistic Director, working as a play-reader and director, in particular helping to run the Writers’ Group. The improvisatory techniques and exercises evolved there to foster spontaneity and narrative skills were developed further in the actors' studio then in demonstrations to schools and colleges and ultimately in the founding of a company of performers, called The Theatre Machine. Divided into four sections, 'Status', 'Spontaneity', 'Narrative Skills', and 'Masks and Trance', arranged more or less in the order a group might approach them,
the book sets out the specific techniques and exercises which Johnstone has himself found most useful and most stimulating. The result is both an ideas book and a fascinating exploration of the nature of spontaneous creativity.

**Dear Andy Kaufman, I Hate Your Guts!** - Lynne Margulies 2009-10-01 Famous for his role as Latka Gravas on TV's Taxi, appearances on Saturday Night Live and his own variety show, legendary eccentric performer Andy Kaufman provoked a national outrage in 1977 by taunting the women of America on TV and challenging them to wrestle him live on television. **A Child's First Book of Trump** - Michael Ian Black 2016-07-05 What do you do when you spot a wild Trump in the election season? New York Times bestselling author and comedian Michael Ian Black has some sage advice for children (and all the rest of us who are scratching our heads in disbelief) in this perfectly timely parody picture book intended for adults that would be hysterical if it wasn’t so true. The beastly is called an American Trump. Its skin is bright orange, its figure is plump. Its fur so complex you might get enveloped. Its hands though are, sadly, underdeveloped. The Trump is a curious creature, very often spotted in the wild, but confounding to our youngest citizens. A business mogul, reality TV host, and now...political candidate? Kids (and let’s be honest many adults) might have difficulty discerning just what this thing that’s been dominating news coverage this election cycle is. Could he actually be real? Are those...words coming out of his mouth? Why are his hands so tiny? And perhaps most importantly, what on earth do you do when you encounter an American Trump? With his signature wit and a classic picture book style, comedian Michael Ian Black introduces those unfamiliar with the Americus Trumpus to his distinguishing features and his mystifying campaign for world domination...sorry...President of the United States.

**The Blacktongue Thief** - Christopher Buehlman 2021-05-25 Set in a world of goblin wars, stag-sized battle ravens, and assassins who kill with deadly tattoos, Christopher Buehlman’s The Blacktongue Thief begins a ‘dazzling’ (Robin Hobb) fantasy adventure unlike any other. Kinch Na Shannack owes the Takers Guild a small fortune for his education as a thief, which includes (but is not limited to) lock-picking, knife-fighting, wall-scaling, fall-breaking, lie-weaving, trap-making, plus a few small magics. His debt has driven him to lie in wait by the old forest road, planning to rob the next traveler that crosses his path. But today, Kinch Na Shannack has picked the wrong mark. Galva is a knight, a survivor of the brutal goblin wars, and handmaiden of the goddess of death. She is searching for her queen, missing since a distant northern city fell to giants. Unsuccessful in his robbery and lucky to escape with his life, Kinch now finds his fate entangled with Galva’s. Common enemies and uncommon dangers force thief and knight on an epic journey...
where goblins hunger for human flesh, krakens hunt in dark waters, and honor is a luxury few can afford. “The Blacktongue Thief is fast and fun and filled with crazy magic. I can't wait to see what Christopher Buehlman does next.” - Brent Weeks, New York Times bestselling author of the Lightbringer series
